Hi Jim:

We have received a new notice from Dale Rogers (no, not Roy's wife). This is Mr. Dale Rogers.

He is proposing to extract slag rock from hillside.

Could you please check for any archaeological concerns within our 10-day turnaround as outlined in the MOA.

The location of the site is:
NE1/4 NW1/4 SW1/4 SE1/4, Section 26; Township 25 South, Range 13 West.

The UTM's are 301,782 E 4,275,149 N.

I will fax the notice to you as well as this e-mail.

Thank you.
Joelle
